CATI Fieldwork : 22nd - 24th February 2013

Absolutes/col percents

Table 1

Q1. As you may have heard, Chris Huhne, the MP for Eastleigh, is resigning as an MP. This means a by-election will have to be held to elect a new MP for the area. Many local people are saying that they probably won't vote at all in the by-election, while others say they definitely would vote. Please say how likely you are to vote in the by-election here, when it happens - on a scale of 1-10, where 1 means you definitely would not vote, and 10 means you are certain to vote.
