# Scottish Parliament Poll

**Table 2**

Q2 In elections for the Scottish Parliament you have two votes? Your first vote (or constituency vote) is for a member to represent your constituency and your second vote (or list vote) elects an additional MSP for your region from party lists. Your second vote can be for the same party or a different party from your first vote. If there were elections to the Scottish Parliament tomorrow, how would you use your first (constituency) vote? Would you vote....
