Results are weighted by recalled past vote at the last general election and stated likelihood to turn out at the next. A proportion of those who don't know or refuse to say how they will vote are re-allocated to the party they voted for at the 2010 general election. Full data tables are available at www.LordAshcroftPolls.com.

Voting intention

1. If there were a general election tomorrow, which party would you vote for? Would it be Conservative, Labour, Liberal Democrat, SNP, UKIP, or another party? *If 'another party':* Would that be, the Green Party, the British National Party (BNP), or some other party – or do you not know how you would vote?
2. And thinking specifically about your own parliamentary constituency at the next general election and the candidates who are likely to stand for election to Westminster there, which party's candidate do you think you will vote for in your own constituency? *[Prompts as at Q1]*
