Q.45 Negotiating Britain's exit from the European Union may come down to striking a balance between having continued access to the EU single market and having control over who can enter, live and work in the UK from Europe, which should the UK Government prioritise? On a 0-10 scale where 0 means securing access to the EU single market at all costs and 10 means being able to control immigration at all costs, where do you think the balance should lie?

Base: All respondents
