There are different views as to what the government's priorities should be in the negotiations. Some of these are listed below. Please show how important you think it is that each of the following should be part of the final terms on which the UK leaves the EU (after any transition period) – where 0 means it is not important to you at all, and 100 means it is extremely important to you?

The UK no longer being subject to judgments from the European Court of Justice in Luxembourg
